If, however, you garnish your description by any of the adjectives usually deemed unfit for publication, any libel action brought against you will fall through, for the law says your profanity proves that have lost your temper, and therefore you are not actionable for your words.

We have now about three weeks left to sell our Winter Clothing. Whilst we have sold more goods during the year than ever before in the history of our business, the unusual mild weather we had this fall and winter finds us overloaded with Heavy Suits and Overcoats. We cannot afford to carry them over to next winter.

WE ARE GOING TO SELL THEM

"They will go," and not stand on the order of going. Quoting prices in newspapers is but a poor index to the public. You know what kind of merchandise we sell. Now come and see what reductions we will make during the month of December to unload our surplus.

The Reduction Sale Will Begin Dec. 1st.

And will continue as long as the public wants to buy better goods for less money than they can find elsewhere. Don't overlook our Shoes; they are the best in the country. Our line of John B. Stetson Hats and Manhattan Shirts (both lines direct from the manufacturers) command your most favorable consideration.
